MATT ARANY

A fürdőszoba enteriőr arany elemei luxust és eleganciát sugároznak. A matt arany különleges árnyalata kivételes bájt kölcsönöz a helyiségnek, és kiemeli annak időtlen szépségét. Ez a minimalista, mégis fényűző megjelenés növeli a tér esztétikai értékét, nemes és kifinomult hangulatot kölcsönöz a fürdőszobának. A kiválasztott termékek PVD bevonattal rendelkeznek, amely garantálja a termék hosszú élettartamát és tartósságát. A matt arany meleg tónusa hatékonyan helyettesítheti a hideg krómot, így még nagyobb kényelmet biztosít a fürdőszobában.

GOLD MATT

Gold elements in the interior of the bathroom exude luxury and elegance. The specific shade of matt gold adds exceptional charm to the room and emphasises its timeless beauty. This minimalistic yet luxurious look enhances the aesthetic value of the space and brings a noble and refined atmosphere to the bathroom. Selected products have a PVD finish that guarantees the product's longevity and durability. The warm tone of matt gold can effectively replace the cold chrome, bringing even more comfort to the bathroom.
