WELCOME TO THE 2024 UMBRA CATALOG

In these uncertain and disruptive times, we're grateful that you continue to support the Umbra brand and we appreciate you sharing our passion for stylish, functional, and intelligent products.

As we navigate the ever-evolving retail landscape, financial pressures, and a global environmental crisis we understand retailers and consumers alike must make more considerate purchasing decisions. We've taken great strides to deliver designs with a greater focus on quality, versatility, and sustainability.

Home is always where we return to and it is important that it represents us and our family's years to come. I hope you share our pride and excitement with this collection. It's an honor to be featured in your stores and welcomed into millions of people's homes every year.

THE UMBRA STORY

Umbral had its start in 1979 with the launch of a single window shade. Co-founders Les Mandelbaum and Paul Rowan recognized that there was a need to create modern designs that would be accessible in both price and attitude.

Based in Toronto, Canada, Umbral (Latin for "shade"), has become a global leader in product design and currently distributes in over 120 countries across the world with additional offices in Europe, the United States, Brazil, and China.

Umbral was born out of passion for original design and the desire to create products for every home. At Umbral, our team of international designers brings thought and creativity into everyday items. Driven by innovation, we pull inspiration from the global marketplace, to push boundaries in our approach to original design.

In 2007, Umbral opened its flagship store located in downtown Toronto. This uniquely engaging space showcases the brand's entire product collection and welcomes visitors from all over the world who are seeking to connect to our original products and meet our talented group of product designers.

RETAIL PACKAGING

A variety of open stock packaging styles designed for retail display. Additional protective packing is required when shipping for e-commerce.

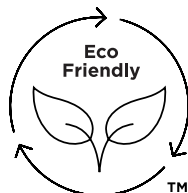

Making more responsible choices for the earth begins with thinking about our long-term footprint, that is why Umbra has pledged to design for the planet.

This is our commitment to practice sustainable design as we continue to create modern, original, functional, and thoughtful products that are made to last for years of enjoyment.

The Forest Stewardship Council (FSC) is an independent, not-for-profit, nongovernmental organization established to support environmentally appropriate, socially beneficial, and economically viable management of the world's forests.

Our double-leaf icon is used on specific products and their packaging to identify items that are designed and manufactured in a more sustainable way.
